Thank you for deciding to support your child through one of the oldest and greatest sports ever. This packet holds valuable information that you will want to access later.

Registration

Registration is **\$35 per wrestler**. This covers the cost of a t-shirt (with name on back) and a pizza party at the end of the season for the club.

T-Shirts

The club gets t-shirts every year. As mentioned above, your child's t-shirt is free with registration. However, the rest of the family can also purchase t-shirts and other apparel to help show your support for Central Wrestling.

Singlets

The club does have singlets for those that wish to travel and compete at local tournaments on the weekends as well as the final tournaments at the end of the season. **A deposit of \$60/\$95 is required**. But if the singlet is returned at the end of the season in good condition, you receive your check back.
